7.1 Terms and Conditions of RFP

7.1.1 This RFP is open to only those bidders who have been invited to provide responses to this RFP, such bidders must be registered and duly authorised to provide products and/or services in South Africa.

7.1.2 Any bids received after the bid submission date and time will not be considered by ACSA and will therefore be disqualified. These bids will remain unopened until the award of the contract to the successful bidder has taken place.

7.1.3 Should the bidding entity with a late submission wish to have their bid returned to them, they must send a request in writing. Should a written request for the return thereof not be received within thirty (30) days of the award of contract, such bid will be destroyed by ACSA.

7.1.4 Except where specifically provided for in this RFP, a bidder may make no changes to its bid after the closing time and date.

7.1.5 ACSA reserves the right to award the contract on the basis of the bid submission received from a bidding entity subject to ACSA’s terms and conditions.

7.1.6 ACSA or their duly appointed representatives shall be the sole adjudicators of the acceptability and or feasibility of the bids. The decision shall be final and except as required by law or otherwise, no reason for the acceptance or rejection of any bid will be furnished.

7.1.7 Should the bid be awarded on the strength of information furnished by a bidder, which information is proved to have been incorrect, in addition to any other legal remedy it may have, ACSA may at any time during the life of the contract:

(i) Recover from the relevant bidder all costs, losses or damages incurred by it as a result of the award; and/or

(iii) The Bidder shall be liable to pay for losses sustained and/or additional costs or expenditure incurred by ACSA as a result of such cancellation. ACSA shall furthermore have the right to recover such losses, damages or additional costs by way of set-off against monies due or which may become due to the Bidder in terms of the said contract.

7.1.8 All representations, agreements or arrangements arising from bids submitted in terms hereof (including any negotiations that follow) shall not be binding on ACSA, its officers, employees or agents unless reduced to writing and signed by a duly authorised representative of ACSA.

7.1.9 ACSA reserves the right to amend the terms and conditions of this RFP at any time prior to finalisation of the contract between the parties and shall not be liable to any bidder or any other
person for damages of whatsoever nature which they may have suffered as a result of such amendment. All bids are submitted at the entire risk of the bidder.

7.1.10 ACSA reserves the right to postpone the closing date for submission of bids or to withdraw the RFP at any time without giving rise to any obligation for the responsibility for any loss or financial damage which may be incurred or suffered by any bidder.

7.1.11 In the case of a joint venture or partnership between service providers, evidence of such joint venture must be included with the bid submission, either in the form of a Joint Venture Agreement or Memorandum of Understanding. Alternatively, all the members of the joint venture may in writing nominate one member of the joint venture to complete and sign the RFP on behalf of the joint venture. This written authority must be signed by duly authorised members of the joint venture and be submitted with the bid.

7.1.12 It is a condition of participation in this RFP process between the bidder and ACSA that should any dispute or difference arise between the parties, this shall be resolved by a single Arbitrator-
- Concerning the purport or effect of the RFP documents or of anything required to be done or performed there under;
- Concerning any aspect of the RFP process to anything done or decided there under; or
- Concerning the validity of the award of the RFP to any bidder or the failure to award same to any Bidder, then such dispute or difference shall be finally resolved by arbitration.

Such arbitration shall be by a single arbitrator who shall be-
- Selected by agreement between the parties, or failing such agreement nominated on the application of any party by the Arbitration Foundation of Southern Africa (AFSA); and
- The arbitrator shall have power to open up, review and revise any certificate, opinion, decision, requisition or notice relating to all matters in dispute submitted to him/her and to determine all such matters in the same manner as if no such certificate, opinion, decision, requisition or notice had been issued.

7.1.13 Upon every or any such reference, the costs of and incidental to the reference and award shall be at the discretion of the arbitrator, who may determine the amount of the costs, or direct them to be taxed as between attorney and client or as between party and party and shall direct by whom and to whom and in what manner they shall be borne and paid.

7.1.14 The award of the arbitrator shall be final and binding on the parties and any party shall be entitled to apply to the Courts to have such award made an order of court.

7.1.15 Save as set out in this clause, the arbitration shall be conducted in accordance with the rules of the Arbitration Foundation of Southern Africa.

7.1.16 The arbitration shall be held in Johannesburg in the English language.
However, nothing in this clause shall preclude any party to the arbitration from seeking interlocutory relief in any court having jurisdiction pending the institution of a review or other
appropriate proceedings for legal redress. Such arbitration shall be commenced and concluded within 30 days of the dispute having noted.

7.1.17 ACSA reserves the right to reject:

7.1.19 Bidders may include with their bids any descriptive matter, which, if referred to in the RFP, will form part of the RFP. In case of any discrepancy, however, the issued RFP and supporting documents and information completed therein by the bidder will be considered as the valid and binding bid.
