C1.4 Insurance Schedule

Summary of Terms and other Matters Applicable to Employer Provided Insurance

Part 1:

Notes to Schedule:

- The provision of insurance by the Employer does not limit the obligations, liabilities or responsibilities of the Contractor under this contract in any way whatsoever (including but not limited to any requirement for the provision by the Contractor of any other insurances).

- Unless specifically otherwise stated, capitalised terms in this schedule (other than Employer, Contractor and works where written in italics) have the meaning assigned to them in the relevant policy of insurance.

- This Insurance Schedule is a generic termsheet generally applicable to the Employer’s projects. In the circumstances:
  - If this Insurance Schedule reflects the amount of any cover provided by the Employer to be higher than the amount required in the Contract Data, the Employer’s obligation under this Contract is limited to the lower amount; and
  - If this Insurance Schedule provides for any cover which is not stated to be provided by the Employer in the Contract Data, the Employer’s obligation under this Contract is limited to the cover stated in the Contract Data.

- [The terms governing the Employer provided policies of insurance are the terms detailed in the policies themselves. This schedule is merely a summary of the key terms. It is the responsibility of the tenderer to obtain copies of the policies and satisfy itself of the actual terms as required by the tenderer.]
