21.1.3 Other than in the case of security audits, or audits triggered by a good faith suspicion of fraud, the Company will provide the Service Provider reasonable notice before conducting audits. Audits will take place during normal business hours, with the exception of security or any other urgent audits, which may take place outside of business hours in the sole discretion of the Company. The Parties will cooperate so as to minimise the impact any audit may have on the Service Provider's provision of the Services.

With the Company's approval, the Service Provider will implement such Audit Response Plan at the Service Provider's cost and expense. The Service Provider will report monthly to the Company on the status of the implementation of any Audit Response Plan. Failure to complete the Audit Response Plan on or before the completion date included in such Plan shall be a material breach of the Agreement.

Any Party so delayed shall notify the Party to whom performance is due and describe the circumstances causing the delay.

If a Force Majeure Event substantially prevents or delays provision of the Services to an extent that the Company reasonably believes to be critical at reasonable levels of service for more than 5 (five) consecutive days (or such longer period as the Company may agree in its sole discretion), then at the Company's option, the Company may:

- 23.2.1 at its expense procure the Services from an alternative source, in which case the Company shall be relieved of its obligation to pay the Service Provider for such Services for so long as the Service Provider's performance is impaired;
