Please note the below:

**CIDB 4ME PE Grading**

During the compulsory briefing session, we had stated that we would check CIDB Grading requirements on 4ME PEs and consider them. That is incorrect. The 4ME PE grading was never advertised and secondly, we as ACSA do not have a program in place for targeted development.

**SHARING RECORDING OF THE MEETING**

During the compulsory briefing session, we had stated that we would allow those bidders who would like to listen to the recording to come to the airport and listen to the recording. That is incorrect. That is not allowed. Management has advised that prospective bidders be sent minutes and briefing session presentation.

**COMPANY EXPERIENCE PAGE 15, 40,42,44 AND 43**

In some of these pages we stated that the minimum requirement for the references or completion certificates is 3. That is incorrect. The correct information for minimum references/Completion certificates required is **one (1)** as stated on page 15 of 162 of the bid document.

**PRICIND SCHEDULE**

Please note that our pricing schedule in the bid document as well as in the presentation is incorrect.

**The correct one is attached. Kindly use the correct one attached.**
