

## **Clarification Questions and Answers COR6445/2020/RFP**

Question 1: A Microsoft Word version of the tender document or appendices so we can start populating accordingly.

**Answer:** We will not be able to give you a word version we are not allowed to distribute tenders in word.

Question 2: Secondly, we just want to clarify if we are required to pitch purely as a developer or as a consortium of consultants i.e. developer, architect, quantity surveyor etc..?

**Answer:** Consortium or JV are allowed to tender as we cannot prevent companies from forming JV's and Consortiums. Please read the scope of work and the evaluation requirements

Question 3: Please may I request bidding documents for the above.

**Answer:** Please note the tender document is on the etender website where you saw the advert for free download it's on the TAB called TENDER DOCUMENTS. Or you may get it on the ACSA tender bulletin website.

Question 4: I would just like to enquire whether you accept tender documents via this email address or only printed versions and delivered to the address provided?

**Answer:** As per clause on the tender document

1.2.2 Email submissions:

Email submissions **will not** be accepted.

You will be required to submit as per clause 1.2.1 of the tender document

Question 5: What are the requirements for us to get onto the bidder list As per Online Tender ID 1541118.

Appointment of a panel of property developers for the development of land identified for commercial development for the ACSA network for a period of 5 years at all airports as per contract number: COR6445/2020/RFP

**Answer:** I urge you to download the tender document and read it in detail as the evaluation criteria is clearly outlined on the tender document under Section 2 and Section 5.

Question 6: Is it possible for you to send me Tender document for (COR6445/2020/RFP)?

**Answer:** Please note the tender document is available on etender where you saw it under TENDER DOCUMENTS just download it there.

Or you can go to ACSA tender bulletin website it's also there for free download
