

O. R. TAMBO INTERNATIONAL AIRPORT ADVISES PASSENGERS TO LEAVE EARLIER FOR AIRPORT AS NATIONAL STRIKE GOES AHEAD

KEMPTON PARK, 25 April 2018 – Management of O. R. Tambo International Airport has advised passengers of possible delays in reaching the airport on Wednesday 25 April due to the national strike.

Spokesperson Leigh Gunkel-Keuler says that while the airport does not anticipate flight delays, management will continue to monitor the impact of the strike as the day progresses.

“As this is a national strike, there is some potential impact on road transport. This could have an impact on the time it takes to travel to the airport. We would advise passengers to play it safe, to anticipate potential delays and leave earlier for the airport than they would under normal circumstances,” says Gunkel-Keuler.

“However, from an airport management perspective we are planning for minimal disruption of airport operations,” she says.

“As a national key point we have contingency plans that can be activated immediately should the situation warrant such action,” says Gunkel-Keuler.

Notes to editors about Airports Company South Africa

Airports Company South Africa is the largest airport operator in Africa. Our mission is to develop and manage world-class airport infrastructure for the benefit of all stakeholders

We manage South Africa's nine principal airports.* In fulfilling this task, Airports Company South Africa enables more than 80 percent of South Africa's commercial air travel. Our airports process 40 million arriving and departing passengers a year.

In the 2016/17 financial year, Airports Company South Africa reported total revenue of R8.6 billion. Currently 63% of Airports Company South Africa revenue is derived from regulated tariffs for aircraft landing and parking fees and a passenger service charge. The remaining 37% is non-aeronautical revenue generated by airport retail, parking, property and other services.

Airports Company South Africa's global footprint extends to technical advisory services and support, airport management, and operating concessions in India, Brazil, Ghana, and has a Sister Airport Agreement with Munich Airport.

We also frequently feature among the winners of independently-judged global airport awards. In the 2017 Airports Service Quality awards presented by Airports Council International no less than four of our airports were honoured:

- King Shaka International Airport achieved first place in Best Airport by Region;
- Cape Town International Airport achieved third place in Best Airport by Region;
- Cape Town International Airport was named Best Airport in Africa (over 20 000 air traffic movements) in the Safety Awards;
- Bram Fischer International Airport achieved first place in Best Airport by Region in the under 2 million passengers category as well as Most Improved Airport; and
- Upington International Airport joined the 2016 Director's Roll of Excellence for being ranked in the top five airports for its category, size and region from 2006 to 2015.
