Notes to editors about Airports Company South Africa

Airports Company South Africa is the largest airport operator in Africa. Our mission is to develop and manage world-class airport infrastructure for the benefit of all stakeholders

We manage South Africa's nine principal airports.* In fulfilling this task, Airports Company South Africa enables more than 80 percent of South Africa's commercial air travel. Our airports process 40 million arriving and departing passengers a year.

In the 2016/17 financial year, Airports Company South Africa reported total revenue of R8.6 billion. Currently 63% of Airports Company South Africa revenue is derived from regulated tariffs for aircraft landing and parking fees and a passenger service charge. The remaining 37% is non-aeronautical revenue generated by airport retail, parking, property and other services.

Airports Company South Africa's global footprint extends to technical advisory services and support, airport management, and operating concessions in India, Brazil, Ghana, and has a Sister Airport Agreement with Munich Airport.

We also frequently feature among the winners of independently-judged global airport awards. In the 2017 Airports Service Quality awards presented by Airports Council International no less than four of our airports were honoured:

- King Shaka International Airport achieved first place in Best Airport by Region;
- Cape Town International Airport achieved third place in Best Airport by Region;
- Cape Town International Airport was named Best Airport in Africa (over 20 000 air traffic movements) in the Safety Awards;
- Bram Fischer International Airport achieved first place in Best Airport by Region in the under 2 million passengers category as well as Most Improved Airport; and
- Upington International Airport joined the 2016 Director's Roll of Excellence for being ranked in the top five airports for its category, size and region from 2006 to 2015.
